Iberostar Grand Hotel Bávaro

Welcome to paradise to the umpteenth degree, where luxury is a standard. Five-star doesn't begin to describe Iberostar Grand hotel Bavaro. It's an adults-only resort where the very best is included. From the "Grand Star Service" with butlers at your beck and call to a concierge service that'll make you a reservation at one of the four a la carte restaurants. And the wow-factor doesn't stop there. The Greco-roman style with wooden decks throughout the hotel and a replica of the Spanish Galleon as a music bar are nothing short of spectacular. At Iberostar Grand hotel Bavaro the reality surpasses the dream. This Resort includes your comfortable, luxurious room, delicious food at a la carte restaurants and buffets, plus drinks, including premium liquors and soft drinks. Not to mention, activities galore and nightly entertainment (including nearby casino).

Iberostar Bávaro Golf Course

Renowned golf course designer P.B. Dye finished his creation of another masterpiece in the summer of 2009. The new par 72 championship golf course is located within the Iberostar Bávaro Resort complex. The Iberostar Bávaro Golf Course capitalizes on its lush natural surroundings resulting in a breathtaking yet challenging course. The vertical movement and distinctive layouts are signatures of a typical P.B Dye design. This world-class layout features conditions seen only at the best golf destinations around the world.

Punta Espada Golf Club

Punta Espada Golf Course is the first of three Jack Nicklaus Signature Golf Courses in Cap Cana. Nowhere else in the world will the golf experience be like this. More than 7,000 yards covering a par 72 championship course, where eight holes play spectacularly along and over the Caribbean's blue waters, all with stunning views, and only a wedge shot away from more than three miles of white-sand beaches and the most complete state-of-the-art marina in the Caribbean. Enjoy spectacular sea views and close-up encounters with nature while you tackle this breathtaking course.
