Illinois PGA Bandon Dunes Pro-Am October 24-28, 2010

NEW FOR 2010
*18 holes at the newly-opened
 Old Macdonald course!*

An American Golf Retreat in the Links Tradition

The game of golf was born on rugged, wind-swept land like this. Where every hole, every hazard, and every shot is defined by nature's infinite presence. True links courses are rare, with only about 160 on the entire planet.

At Bandon Dunes Golf Resort, you'll find four distinctly different courses built on a beautiful stretch of sand dunes perched 100 feet above the Pacific Ocean. Bandon Dunes and Pacific Dunes feature a dozen holes that run along the bluff overlooking 23 miles of sweeping, undisturbed shoreline. Bandon Trails begins on a massive dune, works its way through open meadows and upland forest, and then finishes in the dunes. Old Macdonald moves through dune to ocean revealing breathtaking views throughout. The courses here weren't built as much as discovered. Among the coastal forest, dunes and gorse, lie golf holes that yield fresh rewards each time they're played.
