Eligible qualifying Junior Tour members will be notified via email on **Tuesday, July 19th** and will have until Thursday, July 21st at midnight to respond and accept their invitation, after which point in time the event opens to remaining eligible players based on their position on the annual points list.

*** Please Note: PLAYERS ARE REQUIRED TO ACCEPT THEIR INVITATION TO THE JUNIOR MASTERS EVENT.**

MEMBERSHIP

The cost of Junior Tour Membership is \$65. All membership registrations must be processed online via CREDIT CARD. Tier-1 points will be awarded for any regular season event and Tier-2 points will be awarded for the Junior Masters Championship only. Points will be distributed equally amongst ties for all positions in each division. See 'Tiebreakers & Playoffs' section for more information. The top point earners in each Division (Boys 14-18 and Girls 14-18) qualify for the season-ending Junior Masters Championship, after which the top point earner in each division will be crowned Player of the Year. The Junior Boys Player of the year will also receive an exemption into the 2022 Illinois Open Championship at White Eagle GC during the week of August 1-3.

Please allow 3-5 days for points to be awarded following each event. Points are only awarded to competitors who are Illinois PGA Junior Tour members at the time of play. SECTION 3: POLICIES AND PROCEDURES

CODE OF CONDUCT

CODE OF CONDUCT – PRIMARY POLICY

Players must be willing to comply with all policies set forth by the Illinois PGA Junior Tour. Players must also adhere to any rules set forth by the host facility, which will be listed on the BlueGolf Tournament Information Page on a facility by facility basis. Any such incidents regarding Code of Conduct violations will be handled immediately at the discretion of the onsite Junior Tour staff and officials. The Illinois PGA Junior Tour reserves the right to warn, penalize, disqualify or suspend playing privileges at any time.

DRESS CODE

Appropriate attire for boys is a collared golf shirt, pants or long shorts, and golf shoes with soft spikes. Appropriate dress for girls is a collared golf shirt, pants or long shorts/skirts/skorts, and golf shoes with soft spikes. No cargo shorts, jeans or denim of ANY kind, tank tops, sweat suits, T-

shirts, gym/mesh shorts, bicycle shorts, halter-tops, midriiffs, or short shorts/skirts will be tolerated. Girls' shorts/skirts MUST be no shorter than 4 inches above the knee. All boy's shirts must be tucked in at all times. Absolutely no hats are to be worn backwards and should be taken off when entering the clubhouse. Players AND spectators who do not abide by the dress code may be asked to change or leave club premises. The tournament staff reserves the right to deem whether a player or spectator is wearing appropriate golf attire.

PACE OF PLAY

Players are expected to stay in position and stay connected to the group ahead throughout the round. Illinois PGA Junior Tour staff and officials will notify the players if they are out of position, and players will be subject to Code of Conduct penalties if they do not make an effort to get back in position in a timely manner.

PLAYER GUIDELINES - ETIQUETTE

Any conduct unbecoming a junior golfer, including cheating and dishonesty, shall be subject to warning by an Junior Tour staff or official and potential disqualification at any subsequent incident. Junior Tour staff and officials reserve the right to disqualify or suspend a player indefinitely on-site in the event of a serious breach of conduct, without warning from an official. Such conduct shall include but is not limited to cheating, fighting, abusive language, tobacco/ alcohol/drug use, club throwing, profanity, showing disrespect to volunteers, Junior Tour staff, host site staff or officials, littering or leaving trash on the course and abuse of the golf course or golf facility **INCLUDING FAILURE TO REPAIR BALL MARKS AND REPLACE DIVOTS.**

RANGE CONDUCT

We ask that all players be respectful of one another and accommodating at the practice facilities. With a field size of 100 players and shotgun starts, practice facilities will likely become crowded. We ask that players limit their time on the range, short game area and/or practice putting green if other players are waiting to warm-up, and share spots when possible. A tournament official will be monitoring practice facilities to ensure all players are following the rules. Should the tournament official determine a player is abusing the system, that player will be warned and may be asked to exit the practice facilities if conduct persists. We encourage any player with concerns to warm up prior to arrival on site.

SPECTATOR GUIDELINES

All spectators must adhere to the same dress code guidelines as players. Spectator cell phones are to remain on silent at all times when on host-site property. Spectators should remain on cart paths* whenever possible, and limit interactions with players as much as possible by maintaining a distance of at least 25 yards from all players. Spectators are allowed to aid in the search for lost golf balls and are allowed to carry medicine, drinks, food, umbrellas, and other necessary supplies. Spectators may not bring pets or push strollers. Children should not spectate unless they are able to comport themselves appropriately.

The Illinois PGA Junior Tour reserves the right to ask any spectator to leave the facility at any time for failing to follow the guidelines. *Due to the limited amount of golf carts available on event days, spectator carts will NOT be allowed.

SECTION 3.5: POLICIES AND PROCEDURES **COMPETITION POLICIES**

CADDIES & MOTORIZED GOLF CARTS

The use of caddies or any motorized golf cart is **prohibited**. *Notwithstanding the foregoing: The Illinois PGA, Illinois PGA Junior Tour and PGA of America are committed to conduct golf competitions within the perimeters of the American with Disabilities Act. Players who request relief under the Americans with Disabilities Act, and seek a reasonable accommodation for their disability by the use of a motorized golf cart during an event competition shall be required to submit their request in writing to Adam Gracik on or before the entry deadline date for review and determination.*

CANCELLATION POLICY

Cancellations will be granted up until 11:59 p.m. seven (7) days prior to the scheduled Junior Tour event. Please note that replying to an automated email will not validate a cancellation. Players **MUST** cancel their registration in their BlueGolf profile. **All cancellations are subject to a \$15 processing/administration fee.*

DIVISION SIZE

Field size will be limited to the first 76 boys and 24 girls in each division. If the deadline has passed and open spots remain in one division, those spots may be reallocated and filed with players from the other division if there's a waiting list.

DISTANCE MEASURING DEVICES

The Illinois PGA allows the usage of distance-measuring devices in all Junior Tour events so long as the devices measures distance ONLY.

ELECTRONIC LIVE SCORING

*The Illinois PGA Jr Tour will not be utilizing electronic live scoring during the 2022 regular season.

INCLEMENT WEATHER/UNPLAYABLE CONDITIONS

All practice areas are closed during suspension of play for a dangerous situation until the Illinois PGA Junior Tour staff has declared them open for use. Players who disregard such closing are subject to disqualification and disciplinary action as a breach of Code of Conduct.

CELL PHONES & ELECTRONIC DEVICES

*It is encouraged that mobile phones only be used to contact rules officials or in an event of an emergency. A player using their phone causing undue delay, acquiring advice, or using it in violation of approved electronic measuring devices will be penalized as a breach of Code of Conduct. Conversational use shall be limited to emergency use only or to call the Tournament Director for a ruling. The use of text and email functions are permissible, provided there is no audible sound, and the use does not distract other players.

NO CARD/ONSITE WITHDRAWAL POLICY

If a player starts a round and does not turn in a scorecard with valid scores for the event, a No Card (NC) will be posted as the player's score. Any player who leaves the course without notifying the Illinois PGA Junior Tour Staff will be recorded as a NC. The only way to have a Justified Withdrawal (JWD) during an event is to prove that the junior is seriously ill and physically unable to complete the round. Any non-justified withdrawal or NC will be subject to further review by Illinois PGA Junior Tour Staff. Eligibility to register for or participate in future events may be limited as a result of one or more NCs or unjustified withdrawals.

NON-MEMBER PARTICIPATION

Non-members are permitted to play in one Illinois PGA Junior Tour regular season event without registering for membership. The tournament entry fee is \$225 for non-members. Non-members are NOT eligible to earn points, and therefore remit eligibility to the season-ending Junior

Masters Tournament. If a non-member opts to purchase a membership at a later date, only points earned AFTER the membership has been purchased will count towards that participant's points race.

ON-SITE CHECK-IN

All players must check-in 30 minutes prior to the scheduled 1:00 p.m. shotgun start time to receive their scorecard and tournament tee gift. If a player fails to register upon arrival or prior to 30-minutes before the scheduled shotgun time and there is a Waitlist for the event, they forfeit their spot to someone on the Waitlist. If for any reason a player cannot arrive 30-minutes prior to the shotgun but still intends to participate, they MUST contact Adam Gracik via phone at 847-729-2486.

PRACTICE ROUNDS

There are no guaranteed practice rounds for Illinois PGA Junior Tour events. Practice rounds are at the discretion of the host facility and based on availability. Please note that these courses are all private facilities and likely will not permit practice rounds. Please see an event's specific Tournament Information Page for full details.

PULL CARTS

All participants may utilize pull/push carts, so long as they are non-motorized.

REFUND POLICY

The official entry deadline for each event will be posted on the event's online Tournament Information Page. Registration will close at 11:59 p.m. seven (7) days prior to each event. No refunds will be processed following the entry deadline. If and when a spot becomes available in a full field, the next waitlisted player (prioritized by date and time of registration) will be automatically added to the field and that player's credit card will immediately be processed for the respective event's entry fee. If a player on a waiting list is automatically added to a field when a spot becomes available but is unable to participate, he or she is eligible for a full refund of that entry fee if the Illinois PGA Junior Tour is notified within 24-hours of when the player was added to the field.

Competitors who withdraw from an event prior to the event's posted deadline for any reason will be eligible for a full refund, minus a \$15 processing fee. Competitors who wish to withdraw

from an event after the event's posted deadline must fill out the Illinois PGA Junior Tour Online Emergency Refund Request Form and supply requested backup documentation within 48 hours of the event in order for a refund to be considered. Refunds, minus a \$15 processing fee, will be authorized for players reporting documented family or medical emergencies only. Refunds will be processed back to the credit card used to register for the event.

Refund requests that are 1) not accompanied by the required or requested backup documentation within 48-business hours of the event, 2) occur outside of the 48-business hour window following the completion of an event, or 3) are for another reason other than a family or medical emergency, must be reviewed by the Illinois PGA Junior Tour staff. This group will have the sole discretion to approve or deny such refund requests. Such decisions are final.

SCORING AREA

All players are to report immediately to the scoring area after their round is completed. A player's scorecard has been returned to the Committee when the player has exited the defined scoring area. A player is deemed to have exited the defined scoring area when they have stepped out of the area with both feet. The scoring area will be defined by rope or tape. In situations when rope or tape is not present, the scoring table and chairs will define the scoring area. Prior to returning the scorecard, a player that needs to leave the scoring area must inform the Illinois PGA Junior Tour scorer of his or her intention to leave and immediately return.

If a number is not legible on a scorecard, and a player has left the scoring area, then the player is subject to the score the Illinois PGA Junior Tour scorer infers the number to be. To avoid this: players should ensure all numbers are neatly written, if a player has to scratch out or change a score, the correct score should be written above or below the box and initialed by the player's marker. Players should stay seated in the scoring area until the Junior Tour staff member has verbalized the score back to each player.

Parents and spectators MAY NOT be present in the scoring area unless authorized to do so by an Illinois PGA Junior Tour staff member. Any violation of this condition may result in that individual being banned from future Illinois PGA Junior Tour events.

SHOTGUN START

All regular season Illinois PGA Junior Tour events will consist of a **1:00 p.m.** shotgun start unless otherwise specified. Players will be responsible for walking to their starting holes. Players will be asked by tournament officials to begin walking out to their starting holes 20-minutes prior to the

1:00 p.m. shotgun start time. Players will be asked to wait for the air horn or siren to indicate the start of play.

TIES AND PLAYOFFS

In the event of a tie, points will be split amongst the players equally. Due to limited daylight and a large field size, an on-course playoff is reserved for the first-place spot in either division. In the case for a tie for first place, an on-course playoff will be contested immediately following play if course availability and conditions allow. In the event that conditions do not allow an on-course playoff, the USGA recommends a scorecard playoff will break the tie for first place. The decision on whether or not to contest an on-course playoff is solely determined by host facility and Illinois PGA Junior Tour staff. Ties for second and third place trophies will be broken with the USGA recommended scorecard playoff in all events. All other ties will not be broken.

WAITLIST POLICY

Players on the Waitlist will gain a spot in a tournament in the event of another registrant's cancellation. The spot in the field will be filled automatically from the Waitlist when the corresponding division has an available spot open. Joining the Waitlist is a declared intention to play. If at any point a player on the Waitlist does not intend to play, a formal cancellation is REQUIRED in order to allot that position to the next available player. If spots open in any division, players on the Waitlist will be pulled off until 12:00pm the day before the event.

Players on the Waitlist that have not been allocated a spot prior to the event may choose to gain entry via the Onsite Waitlist. Players on the Waitlist may arrive onsite the day of the event no earlier than 90 minutes prior to the shotgun start. Players NOT on the event Waitlist may NOT arrive onsite and attempt to gain entry into any event.

WEATHER DELAYS & EVACUATION PLAN

In the event of a weather delay we ask all participants to immediately seek nearest shelter or evacuate the course. Players should assume that any discontinuation of play is for a dangerous situation unless otherwise notified. Tournament officials and the host facility will sound an air horn, and text alerts and email alerts will be sent out to all players immediately. Once the air horn is blown players MUST discontinue all play. Wherever the ball lies, please mark it. The Illinois PGA Junior Tour will make every effort to continue play following a delay. That said, due to daylight concerns, the event will be canceled if play has been delayed longer than the approximate amount of time needed for participants to finish play before darkness.

In the event of evacuation, Junior Tour staff and tournament officials will work in assigned Evacuation Zones to ensure all players in each zone have halted play and are proceeding to the clubhouse for shelter. Zones will be assigned in relation to proximity of the clubhouse, and cart evacuation will begin at the furthest point from the clubhouse (Zone A) and will continue from there until all zones are clear (Zone B-D). At all Illinois PGA Junior Tour events, the safety of our players is the top priority. Tournament officials will only begin evacuating spectators once all players are safely in shelter.
